

Oracle

1947

Dear Son Allan: Am hoping that I will
be able to write in the 1949 Cracley and that
you will be a senior. Will take some
hard work but I'm sure you can do it.
Love,
Mother.

Dear Allan - Old sock - phew they smell.

Now I know that you are going to a good high school and not a certain one that I'm thinking of.

Allan - the best of luck. Some hard work will pull you through with flying colors. Hope to see you on the football field next and knock the pants off of Central. You ~~can~~ do it.

Best Regards,
Leo S. Jarvis

Best of luck
always,
Shirley Sanderson

FOREWORD

Hi Kids,

Here's the book you've been waiting for, the Oracle of 1947. It may not be perfect; but we've all honestly tried our best to make it an annual you'll always remember and cherish. We hope it will bring back memories of the happy years at Denfeld, your classmates, and all those friendly teachers.

Something new has been added! I guess the teenagers with bobby socks and D-sweaters have taken over our book this year. We've been used to a formal yearbook, but the staff has taken the liberty to change the Oracle to a less formal publication. When you seniors start looking for your picture, you'll first come across several pages of your soph and junior friends. You know, this is just a way to make them feel they belong to Denfeld and are a part of its activities.

It's been lots of fun collecting pictures, snapshots, and writeups, since Denfeld has been so active this year. Notice all our handsome winners in football, basketball, and debate, and Bud's typical sketches of our high school days.

Well, we better be running along.

Bye now,

THE ORACLE STAFF OF 1947

P.S.—Don't ever forget this eventful and fun-rollicking year of 1947.

ADMINISTRA

TION

We're Proud of Their Friendship.

Chester W. Wood, Principal of Denfeld High School

In his second year as Denfeld's principal, Dr. Chester W. Wood has won himself friendship with every student. He directs our administration in a manner that makes Denfeld a smoothly operating individual among other schools. However, his service in an advisory and counseling capacity has been the major factor in bringing him close to members of the student body. It is in this second pursuit, as principal, that we have come to realize his rich spirit and outstanding abilities to serve.

Dr. Wood has helped to create the fine spirit and the aura of "get up and go" which has put Denfeld out in front during 1946-47. Denfeldites are proud of him and his unfaltering guidance. We sincerely hope his career at Denfeld will last for many years.

Cooperation, and Guidance

The friendly man who presides at our school assemblies is Mr. Glenn Card. This is just another of his many important duties around Denfeld. Probably his chief jobs are acting as assistant principal and boys' counselor.

His keen sense of humor and the cheerful way he goes about his work will always endear him to the students.

Mr. Glenn Card and Jack Schiltz

Lorraine Udjur and Miss Ethelyn Gruetzmacher

A true friend to every girl at Denfeld is Miss Gruetzmacher, the girls' counselor. Her pleasant smile and congenial hello add brightness to our school.

Besides helping us plan our dances and parties, she is one of our most popular chaperones. One of her most important duties is aiding us in vocational guidance.

We Proudly Introduce a Well-Staffed Office

Miss Doris Sundstrom, Miss Karen Swenson, Miss Bertie Frazee.

With a pleasing smile, the Denfeld office staff performed its various duties and added to the efficient running of our school.

OFFICE CADETS—Hazel Lombard, Lois Hartz, Lillian Miller, Dorothy Erickson, Kathleen Kaneski, Arlene Sampson, Irene Surtala, Mary Swanstrom, Marjorie West.

One girl each period is kept busy attending to the switchboard. This is a new feature and a definite asset to Denfeld.

SWITCHBOARD—Seated: Mary Jane Somrock, Fern Stenzel. Standing: Audrey Peterson, Helen Matthew, Beverly Olson, Shirley Cox, Elsie Ulvi, Joyce Klepatz.

A CAPPELLA

The gray gowns of the A Cappella Choir certainly do not reflect the spirit of their singing. With Mr. Edgar G. Felten as their able director, the choir has created the proper mood for many programs. Among their appearances at Denfeld were the Thanksgiving assembly, the Christmas program, the Easter assembly, Baccalaureate, and Commencement. In February the choir presented, for the assembly, a program of secular music including a concert arrangement of folk tunes of various countries and the rhythmic spiritual, "Dry Bones," especially liked by all. Besides entertaining us at our school assemblies, they have performed at the Matinee Musical

Christmas concert at the First Methodist Church, and sang at the Kiwanis Club and the Scottish Rite. Several radio broadcasts were made by the choir, and during the year they went to West and Lincoln Junior high schools and presented a program. One of the highlights of the year was the choir's participation in the All-City Spring Music Festival and Contest.

The choir consists of sixty members and meets fifth period everyday. Because every member truly enjoys singing and participating in the work of this group, the A Cappella has become the fine organization it is.

ORCHESTRA

The Orchestra is probably one of the organizations not frequently heard of; nevertheless they continue to make the orchestra the fine group it is. They have participated in several school performances, and small ensembles have partaken in many outside programs. Under the able direction of Miss Juanita Williams, the Orchestra consists of thirty-two members and has completed a year of fine and successful work.

They're Regal in Rhythm

Bernice Anderson

Our Denfeld organist, Bernice Anderson, has added enjoyment to all our assemblies with beautiful organ selections as we came into the auditorium.

All of us have had the pleasure of hearing and enjoying the smooth music presented by our Denfeld Service Orchestra. Practicing on their own time, they have provided us with entertainment and music throughout the school year at all our many fun-packed dances. We appreciate their fine achievements and thank them wholeheartedly for the role they have played in making our dances the successes they have been.

SERVICE ORCHESTRA—Row 1: Raymond Pasek, John LeMire, Ione Newman, Richard Sieger, Marilyn Clark, Margaret Grytdahl (piano). Row 2: William Eckland, Donald Ridout, Roger Johnson, Edward Anderson, Wayne Johnson, Richard Olson, Joan Adams (bass fiddle).

CRITERION

Denfeld's official publication, the Criterion, expanded this year to a five-column paper and incorporated advertising for the first time in about 15 years. Under the advisorship of Miss Margaret Gatzweiler, and with Donn Larson as editor, the "Cri" was issued every two weeks throughout the school year.

Two newswriting classes furnished the editorial executives with a fine reportorial staff to aid in publishing the larger paper. Mr. Clayton Shulstad, a newcomer to faculty ranks, organized the business department

with Richard Nelson as student manager.

"To help keep Denfeld on the map" is the simple aim which is stated in the masthead; but, like any good school publication, the Criterion assisted in tying the individual students at Denfeld into a firm unit. One of the most interesting projects of the year was the distribution of the Criterion questionnaire which solicited the sentiments of the student body and sought methods of betterment for the paper itself. Through this plan the staff was able to publish a paper with growing popularity.

They Had What It Took to Make Up This Book

Seated: Carol Berglund, Lillian Tweith, Dorothy Anderson (editor), June Hendrickson, Phyllis Ward, Doris Broman. Standing: Robert Anderson, Patricia Grignon, Nancy Nylund, Geraldine Wold, Howard Sivertson.

ORACLE

If you have heard words such as cuts, bleeds, and gutter around school this year, you may have thought a premeditated murder had been committed; but in reality it probably was one of the Oracle staff members explaining a page layout.

The staff has really worked hard this year under Dorothy Anderson, editor, and Miss Belle Kaake, adviser, to bring a book incorporated with many new features and ideas. This is the first year that the Oracle has been an all school book and not just a senior book. Pictures of juniors and sophomores are in this book as well as seniors.

We on the editorial staff also appreciate the very important assistance we received from the business side of our staff. Doris Broman, business manager, and Mr. Clayton Shulstad, business adviser, have done a very fine job this year.

The 1947 Oracle will be a wonderful way to refresh our memory as the years go by. We all have fond memories of things we did and enjoyed, the clubs we participated in, and special events we want to remember. Besides all this, the Oracle is a way to reflect to the community what goes on behind the big doors of Denfeld.

In Debate We Captured State!

Standing: Roger A. Johnson, David Ottensmeyer, Charles Mattson, David Bouschor, James Rooney, Allan Schmuck.
Seated: Sheldon Karon, William Robertz.

DEBATE

Making the best record any debate squad has made at Denfeld and bringing the first state championship for any activity to the school are achievements that the past year's team is justly proud of. The Region Seven and state crowns were won triumphantly after a successful season of wins in three states.

The first trophy was won at an Eau Claire State Teachers' College tournament with a score of seven wins and one loss. The boys' only defeat was suffered at St. Peter when they lost on a draw to Chisholm, also a Region Seven school. They also attended practice tournaments at Eau Claire High School and Denfeld's own invitational meet. A tri-state affair held at Moorhead, Minnesota, was the last pre-regional meet. Sheldon Karon and David Ottensmeyer, in the "A" division, and William Robertz, Charles Mattson, and

Roger Johnson, in the "B" division made perfect records to cop the Tri-State trophy. Squeezing through the regional contest against stiff opposition, the debaters earned their way to the state tournament. David, William, and Sheldon participated in this most important of all events and marched through to win with perfect scores over all teams but Winona.

In community service the boys gave discussions at the Lions' Club, Arrowhead Civic Club, West Duluth Business Men's Club, Lakeside Presbyterian Young Men's Club, Hunters Park Men's Club, Jewish Fellowship Club and the Men's Brotherhood of the Bethany Lutheran Church.

Mr. Stanley Arbingast, as coach, aided the debaters a great deal, but the boys themselves warrant much praise for their efforts and continued hard work.

SPEECH

After consistently taking high ratings throughout the year, our speakers literally swept clean the district tournament to make a record for our school that demonstrates the exceptional quality of Denfeld speakers.

At the district tournament here at Denfeld we had nine winners: Charles Mattson and David Ottensmeyer in original oratory; Sheldon Karon and Roger Johnson in extemporaneous speaking; Dwight Lindholm in memorized oratory; Arden Whitely and Kay McDonnell in dramatic declamation; Kay Olson in humorous declamation; and Herbert Taylor in discussion.

Roger Johnson took first place in the regional tournament at Cloquet and then went all the way to get a superior rating at

the state tournament at the University of Minnesota. William Robertz was a contestant in the American Legion Contest. After winning the regional at Buhl, he went to Brainerd and won the state tournament. Then he went on to Aberdeen, South Dakota and took second place in the midwest finals.

Denfeld was one of eight who were invited to give their play presentation at the State One-Act Play Festival, sponsored by the National Collegiate Players at the University.

Winding up this eventful speech year, the National Forensic League Speech Contest was held at Moorhead, April 18th and 19th, in which seven boys and four girls participated.

USHERS

"Where's R2, B4?" A stranger, entering our auditorium, would be at a loss to know where to find his place if it weren't for the courteous and capable services rendered them by our ushers. The boy and girl ushers have served at class plays, band concerts, the Vodvil, Commencement, children's symphony, the Passion Play, and at many other activities.

Under the capable leadership of Head Usher Bernice Anderson and June Hendrickson as her assistant, and aided by the

helpful guidance of their sponsor, Miss Marjorie Riddle, the girls have faithfully carried out their duties. The girls have worn their traditional ensembles, dark in the fall and white in the spring. The boy ushers, under the leadership of Robert Anderson as student head and Mr. Ray Mickolojak as faculty adviser, have besides ushering at school functions also ushered at the Women's Institute. Both the school and the community have come to realize the important services rendered by the Denfeld Ushers.

POWER CLUB

If the cheering has been louder and the attendance greater at Denfeld sports events this year, we attributed these improvements to our energetic Power Club.

The Power Club was one of the most important organizations in Denfeld. Besides making arrangements and producing all our pep assemblies, the Power Club also sponsored dances after football and basketball games this year. They raised money by checking coats at basketball games and also by selling pins, pennants, pencils, programs, and Christmas cards.

We were very fortunate to have such a fine energetic president, Mary Swanstrom,

to lead us and also a new sponsor, Miss Dorothy Johnson, who helped us greatly.

Maroon and Gold Day assembly was held in the afternoon this year. We were built up for a big let down when we were told by Mr. Wood that the Denfeld-Central game was postponed because of the condition of the field. The wonderful enthusiasm displayed remained with us though, for we won the game.

Our cheerleaders deserve a lot of credit for the work they have done. Introducing new yells and songs, working out new formations for old yells, and striving for more cooperation from the student group has been their big job.

Char Has Brought Them Far

Sitting: Margaret Grytdahl, Marilyn Mattson, Charlene Sorenson, Doris Broman, Hazel Lombard. **Standing:** Mary Skomars, Aino Maria Lepisto, Bernice Anderson, Lillian Tweith, Norma Bergerson, Joyce Carlson, Arlene Sampson, Mary Swanstrom, May Swanson.

GIRLS' CLUB

Although there are many organizations in Denfeld, there is one to which every Denfeld girl belongs, the Denfeld Girls' Club. Charlene Sorenson, president, Miss Gregory, sponsor, the cabinet members and other faculty advisers led the girls through an eventful year.

The girls decided that this year's Carnival was to be the last Girls' Club Carnival and that the next year they would sponsor an operetta. A Big Sister Party was one of the main events; this was given for some unfortunate children at Christmas time. Many wide-eyed youngsters exclaimed with joy when they saw Santa Claus who, in reality, was Herbert Taylor. Some of the social events that were planned were the Halloween, Valentine, and the school

mixer parties, and a style show. Another highlight of the year was the Mother-Daughter Tea, at which the mothers and "teacher-mothers" were conducted on a tour of the building, visiting the modernized boys' and girls' lounges, the redecorated teachers' room and the art room.

Climaxing the year was the Senior Farewell held at Chester Bowl. The Seniors sang "Follow the Gleam" as they were led by Charlene down the road. Many eyes were filled with tears as they thought back on their years at Denfeld, their teachers' guiding hands, and the many friends they had made. The seniors, completing their year, were happy with the thoughts of the many new sophomores, juniors and seniors to carry on.

They Are All Led by Dahl

Seated: Ronald Johnson, Lloyd Groseth, Thomas Deutsch, Lawrence Tessier (vice-president), Einar Dahl (president), Keith Stolen (vice-president), David Ottensmeyer, Robert Scott, William Robertz, Donald Butters (secretary-treasurer), Allan Schmuck, Donn Larson, Mr. Sullivan, Sheldon Karon, Charles Mattson.

BOYS' UNION

Denfeld has seen a mighty busy Boys' Union around her halls this year. All activities, under the fine leadership of Einar Dahl, president, have demonstrated a wonderful spirit of enthusiasm and true cooperation.

Activities were many and varied. The Vodvil served as chief money-maker and certainly was a credit to its sponsor and to Denfeld as a whole. Never before has the Vodvil, which solicits and presents outstanding artists from all over the city, had such a high caliber of talent. Credit is due the Boys' Union Executive Committee and Mr. Wayne Brittan, business adviser, in this undertaking for their fine presentation.

Another project which the organization is justly proud of is the furnishing of

its lounge, accomplished mainly from proceeds of the Vodvil. The new lounge, adjacent to Mr. Card's office, is open to all boys at all times and has already proved popular to students who have found it's a swell place to read, study, or just sit around.

Never one to forget social life, again the Boys' Union sponsored several dances. The Double-D Dance (co-sponsored by the Girls' Club) was something new and different, being the first mid-season couple dance in many years. Although no one determined just what D.-D.D. stood for, all had a grand time.

The Executive Committee would like to extend thanks to Mr. Henry Sullivan, their able adviser, who did much to make this Boys' Union-year a successful one.

They're Hi-Y'd and Handsome

Row 1: George Rapp, James Thompson, William Swanson, Arnold Swenson, Gerald Gronlund, John Lenning, Lawrence LaFave, Dwight Lindholm, Donald Evanson. Row 2: Jack Carlson, Roger Anderson, Einar Dahl, Donald Butters, Clifford Edman.

HI-Y

The purpose of the Denfeld Hi-Y is given in the club pledge: "I, as a member of the Denfeld Hi-Y club, will endeavor, by my inward life and outward actions, to create, promote, and maintain high standards of Christian character throughout the school and community." The entertainment, knowledge, and religious guidance that every member has gained will be remembered and helpful to all in the future.

There have been several speakers throughout the year who have added entertainment and knowledge to our club. Bud Griffin, an ex-G. I., spoke on his escape from a German prison camp and presented information about the German and French people that brings us to a better understanding of them. Our well-known news commentator, Bill Krueger, gave a talk on the operation of radio stations

and the possibilities of television and other achievements in radio. A knowledge of the customs and environment of the people of India was gained when Bob Rathbun, also an ex-G. I., spoke on his experiences there. He had many pieces of Indian art to show also. Ralph Lewis told of his experience while at a dinner engagement at the White House with President and Mrs. Roosevelt and representatives of the Y. M. C. A. of the United States. At our annual city Hi-Y meeting, Dr. Court gave an interesting biographical sketch of Eric Sevareid, a radio reporter, who was born in Minneapolis, Minnesota.

The Denfeld Hi-Y is a small but friendly club. Mr. Shulstad is the faculty adviser and Mr. McLeod is the supervisor from the Y. M. C. A. Gerald Gronlund is our able president who has performed his job with sincerity and perseverance.

They Hold the Reins of Student Leadership

Row 1: Glen Johnson, May Swanson, Marie Larson, Aino Lepisto, Marjorie Schilla, Patricia Thorp, Mildred Nelson (Treasurer), Patricia Grignon (Secretary), Donald Cook (Vice President), Joan Donaghy, Beverly Welling, Donna Dahlin, Marilyn Monson, Helen Anderson, Betty Johnson, Roger Anderson. Row 2: Shirley Pettersen, Ronald Kramnic, Lillian Tweith, Carol Hubble, Mary Linski, Sheldon Karon, Earl Seymour, William Bianco (President), William Erickson, David Bouschor, Dawn Robinson, Virginia Anderson, Gloria Swanson, Richard Palmer.

PYRAMID

Keeping the students conscious of their responsibilities in making our school a better one is the aim of the Pyramid.

One of the most commendable projects of the Pyramid is Tag Day. This is the day when we contribute for Christmas baskets for the needy. We were very proud when Mr. Dell Daedo, former boys' counselor at Denfeld, said that Denfeld's student council was the only one at the National Federation of Student Councils Convention that did things for others besides themselves, meaning, of course, Tag Day.

Many good ideas were brought back from the Student Council Convention held at Superior, Wisconsin, January 11 and 12, by the delegates.

The accomplishments that the students will remember were getting a longer Maroon and Gold Day assembly and seating arrangements according to your own choice.

Monday morning at 8:30 was the time for Pyramid meetings. An elected representative from every home room or an alternate would be there. Bill Bianco, president, would present some of the problems with which we were confronted. In the discussion that followed many ideas were expressed and the problem corrected.

Pyramid has been beneficial to Denfeld in many other ways too. Miss Louise Hall, sponsor, has greatly aided in making Pyramid an outstanding organization.

Efficiency plus! This term well applies to the girls and boys who assisted Miss Gruetzmacher and Mr. Card each period of the day. Their main duties consisted of collecting cards and recording absences. The remainder of the period was spent in keeping the lounges clean, delivering messages, and answering the telephone in the absence of the counselors. When visitors came to the school these girls and boys gladly took them around.

"Could you please find a book of essays for me? I've got to have it by tomorrow!" stammers a boy. The library cadet is busy with her own work; but she says yes cheerfully and finds the necessary book of essays. Every period of the day such favors are asked of the cadets. They are only too glad to assist.

In the library there is a section called the Counseling Nook. It is that section for students so they can come and find material on a future vocation. The nook has material on every vocation and gives the student a chance to look up other and related occupations as well as his own.

"Quiet, please!" Mr. Rosvall, the librarian, reminds the students occasionally. Usually the library is a quiet place where one can go to study or find information for that history report.

"Hall pass, please?" These familiar words reminded us of the many services of our hall cadets. This group, under the supervision of Miss Marie Saltwick, has faithfully performed its duties throughout the year. They endeavored to keep our halls neat and to maintain order during class periods. Another of their services was giving information to strangers in our school. It is because we had such a fine hall cadet system that we were able to have lockers without locks.

If Mrs. Dorothy Anderson, our girls' physical instructor, was not in her office, you would always find one of her helpful cadets on duty. Throughout the period they attended to the general office work such as, recording absences and marks, correcting tests, and checking equipment. In the absence of an instructor, these girls saw that the class was run smoothly.

Through the efforts of the health cadets, under Miss Alice Huisenfeldt, the X-Ray program ran efficiently. They also took care of first aid supplies and health cards, and tested for visual defects.

According to instructor Theodore A. Wohlfeil, the curriculum includes almost all the trades and practical related subjects. After completing two years of training, the student receives a trade certificate and is prepared to go directly into his field. If he wants a high school diploma, he makes up the required subjects for graduation in an additional year.

Much more credit than is popularly attributed to them is due the boys pictured here. The results of their efforts have been a great part of the successes of the plays and many other presentations of the year. Indeed, without the assistance of the stage-hands, the fine performances offered to the student body could not have been possible.

Managing the finances of Denfeld provides a business background for two capable girls each year. This year's job was ably carried out under the advisership of Mr. Herbert Spencer.

THREE-YEAR PLAN CADETS—Betty Fuller, Alice Vaillancourt, Myrtle Karjoha.

The three-year-plan cadets are seldom seen in the limelight, yet they quietly perform a valuable service to the school. Under the supervision of Miss Marjorie Riddle, they recorded changes on programs, filed the cards, and attended to the numerous details connected with the three-year-plan system.

The Denfeld Readers' Club, through the discussion and interpretation of books both modern and classical, exerts a cultural influence on its members and increases the pleasure which they derive from their reading. Under the advisership of Miss Lenore K. Snodgrass, the members met variously in the home economics room and in the boys' lounge. The club's president was Lois Nelson, while Carol Tuttle was general chairman, and Carol Ann Thomas acted as secretary.

When it comes to checking the grades and activities of the students at Denfeld, you can't surpass the E.C.A. committee, headed by Miss Helen Thompson. Among their duties were recording what extra-curricular activities we have taken part in and which students were on the honor roll. Finally at the end of the year, their task was listing the seniors eligible for the honor court.

Coach Walter Hunting had a big job before him. Only three lettermen were returning from last year's conference champs, and he had but ten days to prepare for the opener at Crosby-Ironton. The Hunters looked good in spots but proved there was room for improvement in splitting the first pair of games with a 16-6 victory at Crosby and a 19-14 loss at the hands of Morgan Park.

On September 27th, Denfeld invaded Superior Central in an afternoon tilt. The Hunters outplayed the favored Vikings, but were unable to score on a muddy field, and came home with a 0-0 tie. In their second home appearance the Denfeld squad showed a vastly improved form in wal-

loping Ely 26-0. Only the most rabid fans, however, expected a Denfeld victory the following week.

The Hunters clashed head on with the fighting Trojans of Central on October 14, before one of the largest crowds ever to attend the classic. Denfeld outran and outfought the Trojans from the start to leave little doubt in the minds of some 11,000 fans that they deserved their 19-0 victory.

Coaches Hunting and Krohn then gave their team a really tough assignment in sending them against the power-laden Hilltoppers in the same week. Only four days after the Central game, Denfeld met and humbled Cathedral, gaining a

well-earned 13-0 decision and sweet revenge for the previous year's 14-13 upset at their hands.

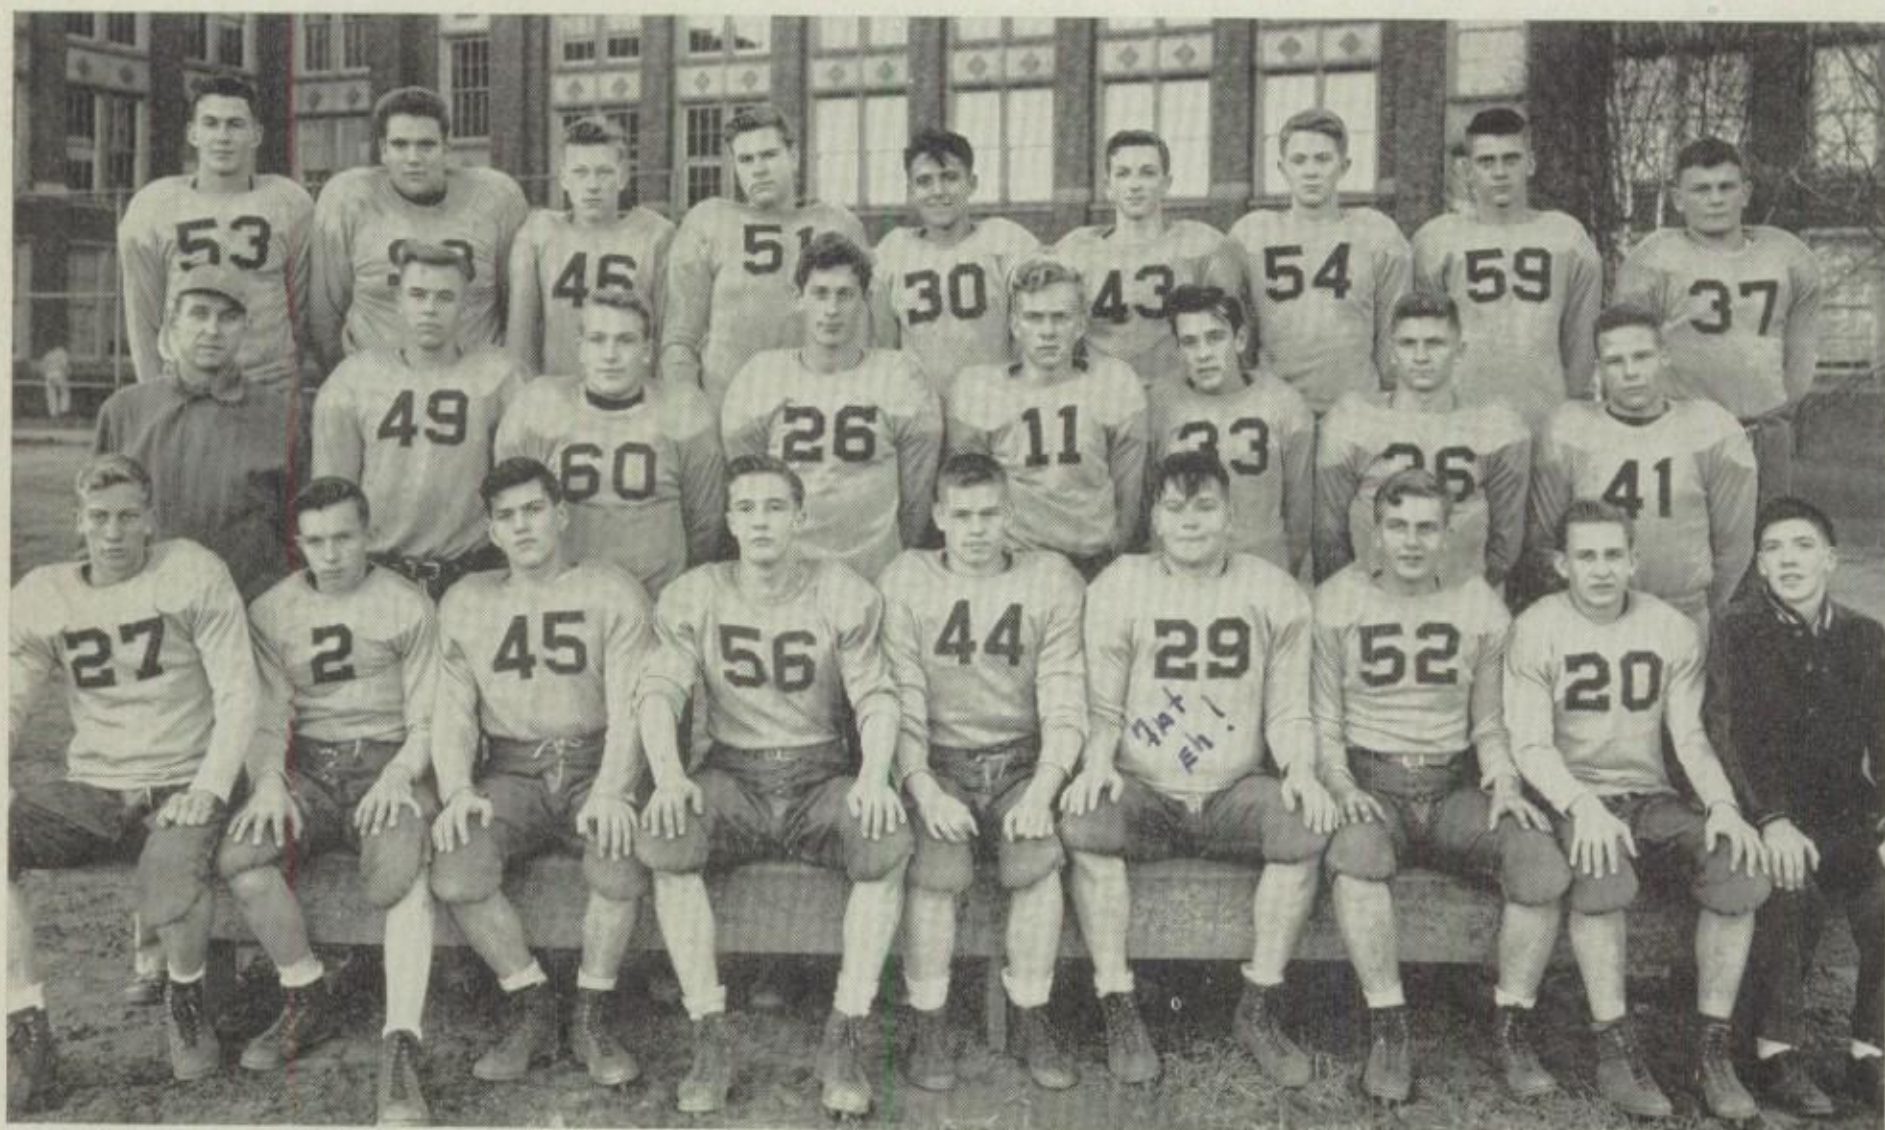

Many expected a let-down after the two tough games, but the Hunters next turned in one of their finest games in defeating Aberdeen, South Dakota state champions, 26-0. This was the final home appearance for many members of the team, and a memorable one. "Lunga" Tessier was unstoppable as he passed to End Rudy Monson for one score and scored three times himself on a plunge and jaunts of 95 and 85 yards.

After being upset by a fighting Eau Claire eleven 13-7, the Hunters again hit the come-back trail with a 20-7 victory over Anoka. As this game had attracted state-wide attention, it served as

a fitting climax for the Denfeld season, and for the playing careers of such outstanding seniors as Rudy Monson, Ted Leidinger, Keith Stolen (captain), Lawrence Tessier, all four All-Conference, the last also All-State, Don Cook, Laddie Stover, Warren Bodin, Mike Colalillo, Bob Huttel, and Chuck Hass. Other members of the squad who have another year to wear the maroon and gold include Bobby Daniels, Jerry Bodin, Jack Hendrickson, Wayne Johnson, and Dick Palmer.

Too much credit cannot be given to coaches Walter Hunting and Mel Krohn, not only for their ability to develop a winning combination, but for their interest in promoting the best in sportsmanship.

Our State Champs

Left to Right: Coach Lloyd Holm, Bob Scott (student manager), Tony Skull, Howard Tucker, Kenneth Sunnarborg, Paul Nace, Lawrence Tessier, Jerry Walczak, Bruce Budge, Keith Stolen, Eugene Norlander, Rudy Monson.

At the start of the basketball season a few coaches in the area said, "Watch Denfeld go," but it took much more than a reputation to make this year's squad the first state champion in the history of the school. It took coaching and play ability, spirit, teamwork, and determination. Players and coaches alike were determined that this was to be "our year," and it was.

Denfeld was not too impressive in some of its early season games but improved steadily until it had run up a string of twelve straight victories. The Hunters suffered their first loss at the hands of Waseca by a 57-49 score in a game that had attracted statewide attention. The following week the team returned to their winning ways by downing Two Harbors, only to be set back a week later by Duluth Central, 35-34.

As Hibbing was reputed to be the power of the Range, the game with them was expected to serve as an interesting comparison between the strength of Head o' Lakes and Range teams. The game saw Denfeld start fast to take a 18-9 lead at the half but falter in the last period to lose 35-33.

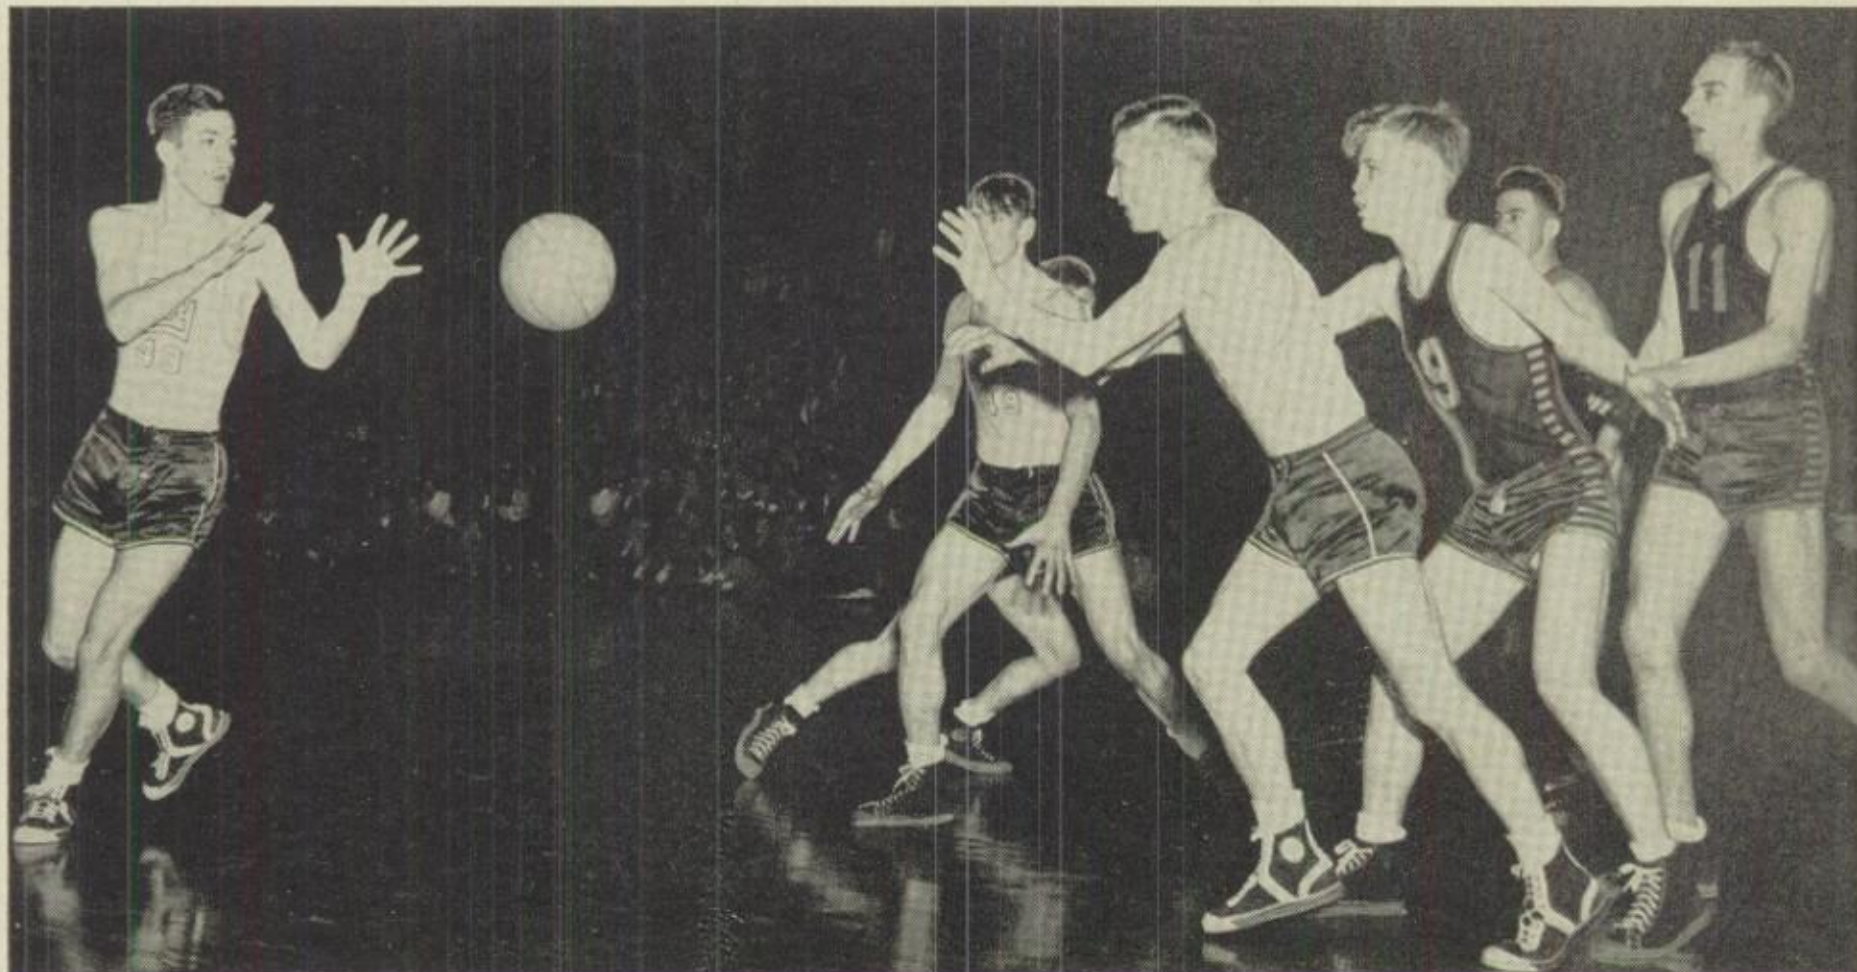

The Hunters went into the district tournament on March 12 as co-favorites with Duluth Central. Having defeated Esko in their first game, Denfeld humbled the Trojans with a convincing 53-37 score, in what was the Hunter's best game of the season. In the first All-Duluth finals in sixteen years, Denfeld whipped Morgan Park 47-30 to gain the right to represent District 26 in the Region 7 meet at Hibbing. The first game of the regional brought the

two favorites together. In a well-played, close game, Denfeld defeated Hibbing, who had won their last 20 games, with a 35-32 count. Next the Hunters downed Ely 55-39 in the finals of the meet, putting on one of the finest scoring exhibitions ever witnessed, completely cracking Ely's defense to score nineteen points in the last four minutes of play.

Meeting Granite Falls, a team that had a 15 game winning streak, in the first game in the state meet, the Hunters took them in stride 44-37. In Denfeld's next appearance they defeated favored Mountain Lake, riding the crest of 25 straight wins. Archie Nace's, basket with a mere 17 seconds left, assured us the 30-29 victory. The climax of the state tournament was a thrilling game between Denfeld and Crosby-Ironton. Although the Hunters had scored a convincing victory over the Rangers early in the season, the game was rated a toss up. First one team took the lead and then the other in a battle which finally saw Denfeld come out on top 46-44.

Credit must be given to Coach Holm for his excellent work with the boys. He succeeded in making the most of each player's particular ability and injected into him a will to win, and spirit of confidence and teamwork. The fact that the entire starting five of Norlander, Nace, Tessier, and co-captains Monson and Sunnarborg scored over 120 points apiece speaks clearly how great the cooperation was among these boys. Special credit

should be given to Paul Nace and Rudy Monson, who piled up a total of 359 points, selected for the all-state team; and also to Pug Norlander, our most consistant scorer, who made 285 points this season.

There will be five lettermen: Tucker, Budge, Skull, McNelis, and next year's captain, Jerry Walczak, back to form the nucleus of the squad. They have a big job before them, but the first time is always the hardest, and this year's squad are State Champions.

CROSS COUNTRY

This year's cross country squad, one of the strongest ever developed at Denfeld, can lay claim to its share of honors together with the other athletic departments this year.

Opening their season in September in a competition held at the Enger Park golf course, the thinclads were led to their first victory by Robert Ringstad's taking first place in the two-mile event. On October 11, in the annual meet before the Denfeld-Central football game, the cindermen, sparked by captains La Fave and Ringstad, turned back the Trojan squad by capturing first and second places.

Journeying to Lake Nokomis, Minneapolis, on November 8, seven Hunters competed for the state cross country championship and placed fourth. A meet was then held with Morgan Park. In this contest the tracksters completed their season successfully by taking the first eight places.

Lettermen returning to next year's squad include: Richard Erickson, Rodney Ridgewell, Angelo De Luca, Dwight Lindholm, and Jerry Leavitt.

TRACK

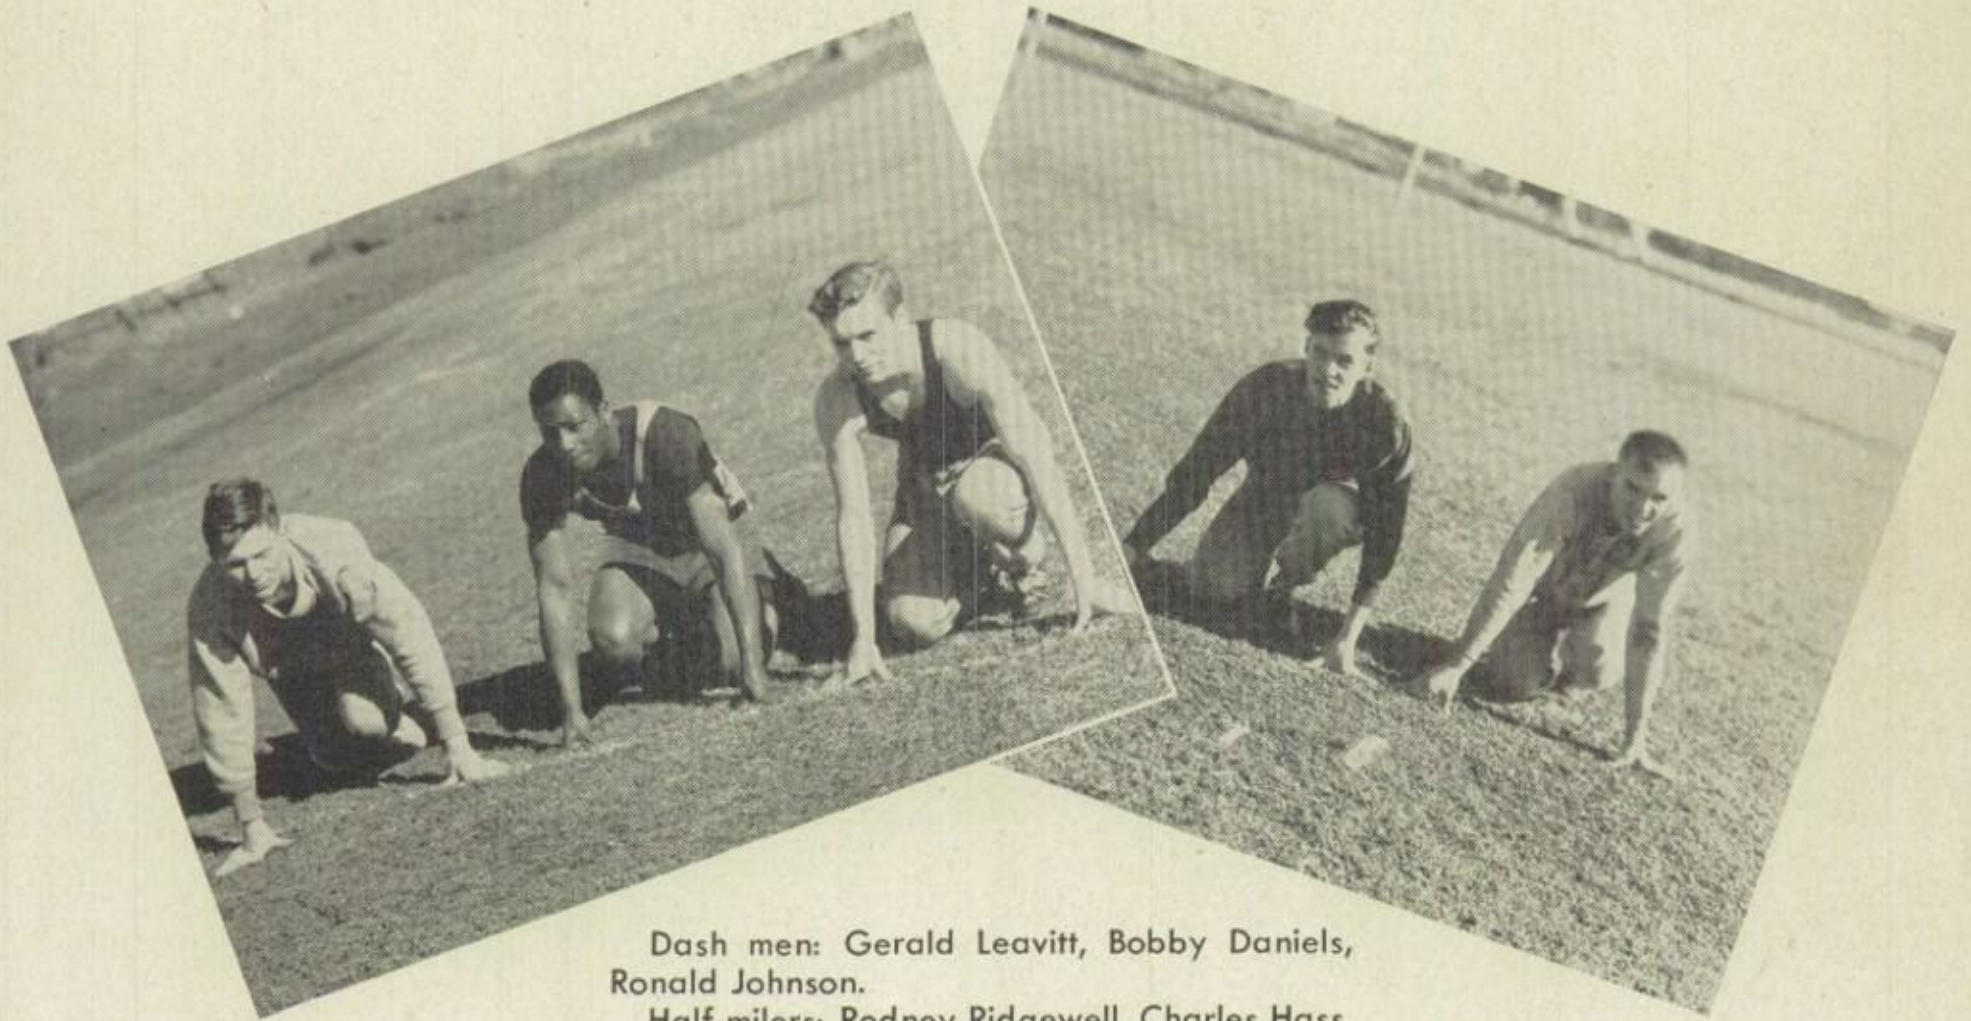

Carrying over Denfeld's winning ways into the spring, coaches Glenn Card and Waldemar Johnson produced another outstanding track team.

Entering the Lewis Relays at Eveleth, co-captains Ron Johnson and Robert Ringstad, Bloom, La Fave, Bloomquist, Daniels, Ciebiera, Dick Erickson, Ridgewell, Hass, Cook, and Leavitt represented Denfeld in the track events, while Monson, Tessier, Jim Anderson, Stolen, Budge, and Skull participated in the field meets. Anderson and Tessier placed 1-2 in the shot put, and Daniels and Bloomquist took firsts in the 100-yard dash.

On May 10 the Denfeld tracksters took part in the Hibbing Relays in which they broke three previous records. Ringstad set a new mark in the mile, and Tessier in both the shot put and the discus. Daniels also tied the 100-yard dash record.

The squad is expected to make a fine showing in the three remaining meets: the Coleraine Triangular, the City meet on May 23, and the State, to be held the third of June.

HOCKEY

The Denfeld pucksters took the City Hockey Championship for the second consecutive year that hockey has been played in Duluth high schools. The Denfeld team claimed the city championship when they defeated Central 1-0 and Cathedral 6-1. They also defeated Cloquet twice by 10-0 and 7-0 and broke even in two games played with Duluth Junior College.

The Hunter team with this fine record of wins met the defending titlists, Eveleth's

powerful Golden Bears, in the semi-finals of the regional hockey tournament. The Hunters were defeated 2-0 after a fine evenly matched contest in which indoor practice finally showed its supremacy.

The team showed grim determination and skill in disposing of Cloquet, Cathedral, Central and Junior College. Although they ended up with the short end of the score at Eveleth, the Denfeldites played their best game of the season.

We Have Our Ups and Downs

For the first time in the school history, Denfeld had a swimming team. Under the direction of Mr. Nordahl Anderson and James Fechner, this group of boys met daily in the West Duluth Y.M.C.A. to improve and to perfect their strokes and forms. Although the boys have not entered many meets, they still have made their mark in that they organized the first Denfeld swimming team.

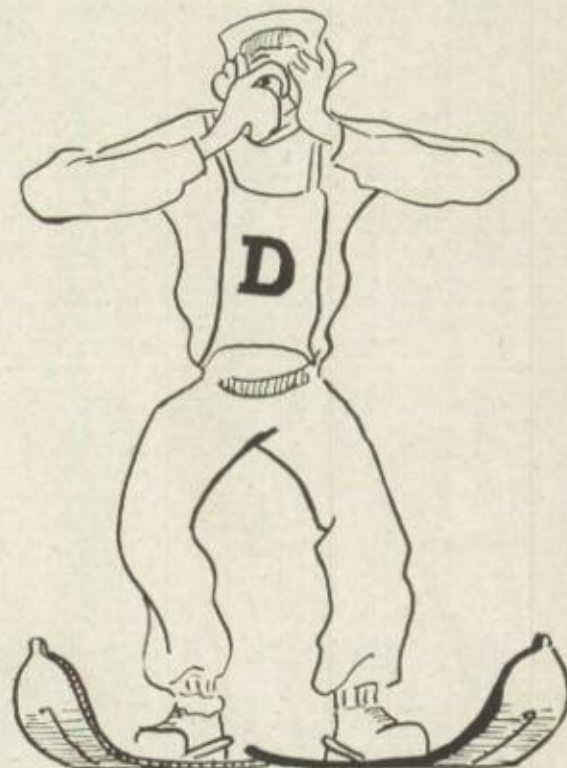

Capturing their share of honors, the Denfeld skiers came through to take their place among this year's championship teams. Opening their season with the triangular meet at Chester Bowl, Denfeld ranked second in competition with Central and Cloquet. In the district tournament, Denfeld captured second place, Rodney Johnson, team captain, taking top honors in jumping. By copping second place in the state tournament, Denfeld wound up its skiing year with a very successful record.

Despite the fact that we had no veterans of last year back with us, our tumblers have worked long hours to bring us the type of enjoyment we wanted.

GIRLS' ATHLETIC BOARD

A very active year in girls' sports under the student guidance of Phyllis Abrahamson, athletic chairman, began with the opening of the basketball tournaments. Thirteen teams were signed up by the two heads, Millie Nelson and Joan Adams, with the Basket Brigade, captained by Genevieve Sodeman, coming out on top.

The ping pong and shuffleboard tournaments were larger than ever before. Both were run very effectively by Marjorie Schilla.

Volleyball, planned by Marian Erickson and Pat Erickson, had to be held up until

the last of March because of boys' basketball. This is always one of the outstanding tournaments of the year.

Badminton and archery, both arranged by Jean Swartz, marked the close of the activities for the year.

In the words of Mrs. Dorothy Anderson, our girls' sports adviser, "The enthusiasm and response to sports this year is above and beyond other years." Our new locker room with much more space to play in than other years helped to stimulate interest especially in individual sports.

SOPHOMORE CLASS

As the sophomores entered Denfeld in the fall, their common greeting was, "Are you from Lincoln or West?" The Girls' Club and Boys' Union Tea in August had made us feel wanted in this big, fine school, famous for friendly students, helpful faculty, and winning teams. After a few weeks in our new place of instruction our badge of identification was gone. We were, henceforth, Denfeldites.

The record that the sophomores have made is promising.

One of the outstanding feats of the year was our presentation on February 13, of the stage success, "Our Hearts Were Young and Gay." A well-filled auditorium enjoyed the production. We are extremely grateful to the cast, all who helped on the committees, and the director, Mr. Joseph D. Dunn.

At the class meetings, our principal, Mr. Wood, has been present and has given us some very worthwhile suggestions. Also, at the meetings, we have been entertained by various students, talented in vocal and instrumental music and in the giving of readings.

The Sophomore Party, which was held May 9, was an evening of fun. There was a program featuring class prodigies, movies in the auditorium, and the traditional tour through the tunnel. After dancing and playing games, we had lunch in the cafeteria.

We express our deepest appreciation for all our teachers who helped us start out in our high school career, especially Mrs. Florence Peterson and Mrs. Nordahl Anderson, our class sponsors.

We'll make it, we know

We Were Just in Between

JUNIORS

Looking forward to when we will be seniors, we juniors left school this spring still remembering the good times we have had in our two years at Denfeld.

Ruth Bloomquist, secretary, and James Peterson, treasurer, have acted as class officers in both our sophomore and junior years. We appreciated the fine work of our president, William Palmquist, John Anderson, vice president, and our class advisers, Mr. Waldemar Johnson and Mrs. Genevieve Eby.

When our class came over to Denfeld two years ago, we got right into the swing of things. We put on skits, entered into speech activities, and organized a girls' ensemble. This year we were especially proud of our boys' quartet, all juniors!

"Best Foot Forward" was the title of our class play and also our motto as we worked to present this hilarious comedy.

On the night of May 9, we were host to the seniors at the Junior-Senior Party. Everyone had a wonderful time. That ended a happy year for all us juniors.

But We Got Along!

They're at the Helm of the Senior Class

Frank Johnson (treasurer), William Brajevich (president), Margaret Grytdahl (secretary), Robert Bloom (vice president).

SENIORS

Pep and life seemed to be the keynote of this senior class. And it comes as no wonder, for this year saw Denfeld win more honors and victories than any other previous group.

A large number of dances and parties have made the social life of the student very extensive this year also. The first important event for seniors exclusively was Kid Day, an occasion that is looked forward to from the time one enters Denfeld. On this day, we all discarded our dignity for a few hours and dressed like our younger brothers or sisters. Following soon after on our calendar was the class play. The entire class worked hard by selling tickets and by helping on the various committees to make the production, "The Enchanted Cot-

tage," a wonderful success. This play, a serious drama, was chosen because the seniors wanted to present something that would be remembered.

At the end of the year, the juniors entertained us at the Junior-Senior Party. For the first time, the "prom" and the senior banquet were on different nights, eliminating any possible friction arising between the two. We were regaled in high style at the latter, held at the Medical Arts ballroom. Finally commencement night came, and we were all very proud and happy when we received our diplomas.

With such an energetic president as Bill Brajevich and with Miss Gregory and Mr. Ulrik Reque as advisers, our senior class emerged as one of Denfeld's most successful.

Another sophomore class has again proved its ability in staging a fine performance. Known to many, this year's production, "Our Hearts Were Young and Gay," revolves about the hilarious experiences of two silly, college-age girls, Cornelia Otis Skinner and Emily Kimborough. Attempts at sophistication, difficulties with a French bathtub and a be-bedbugged bed,

and shipboard romances provided much merriment for the amused audience.

The atmosphere of a ship and of the '20's was effected by the splendid work of the stage-hands and the members of the various committees. The play was under the direction of Mr. Joseph Dunn.

SENIOR CLASS PLAY

All who witnessed the past year's wonderful senior class play entered a nebulous world of enchantment in this modern fable, which like the fables of old presents a moral. In the love of Oliver, horribly maimed, and Laura, extremely plain, we recognize something that transcends mundane accomplishments to at-

tain for them perfect beauty in one another's eyes.

Delores Johnson and Don Cook, as the lovers, turned in emotionally skillful characterization, aided by an exceptionally fine supporting cast. They and Mr. Joseph Dunn, by his superb direction, have given us a production that will be proudly remembered.

"Best Foot Forward" Equals Play Par Excellence

With the Junior Class presentation of "Best Foot Forward," the play season at Denfeld began with the proverbial bang. Scintillating and sparkling inadequately describe this brisk play, portraying an incident from the ever eventful life of the students at Winsocki Prep School.

The pleased countenances of the spectators as they left at the end of the play must have been ample reward for the efforts of the hard working cast, committees, stage-hands, and for Mr. Joseph Dunn, who brought forth the very best in his performers by his fine direction.

They Bring Us Into the Realms of Fantasy

Row 1: Louise Stebnoski, Joan Peterson, Betty Fuller. Row 2: Florena Peterson, Katherine Onsgard, Jerona Gardiner, Patricia Palmquist, Karlyn Abrahamson.

From the clear blue sky, the stars shone down upon the snow-bedecked Christmas trees. Skiers and skaters glided to and fro and fairies lightly danced while soft music furnished the mood. The audience seemed to feel that winter had actually come to the Denfeld stage in this beautiful "Winter Wonderland." This Christmas fantasy was under the direction of Miss Ellen Smith, and a fine example of artistic scenes she is capable of producing.

The Denfeld Orchestra played a medley of Christmas carols followed by the "Christmas Chorologue." From the balcony the a cappella choir sang the beautiful hymns of Christmas while on the stage we saw the shepherds and wise men gazing adoringly upon the Holy Child in his humble bed. The tableaux was under the direction of Miss Aurora Mattson, and Mr. Edgar G. Felten directed the choir.

Honor Assembly

May 29 was the date of our long-awaited Honor Day this year. To the vibrance of "Pomp and Circumstance," the gray-clad seniors, with dignity and grace, ushered, two abreast, into the assembly. When the last of the graduating class had found their seats, the atmosphere was pervaded with the lilting and lively tones of "Welcome Sweet Springtime." With this forewarning, the audience became hushed and expectant. All eyes turned to the back of the assembly. The honor court came forth first, the girls dressed in lovely, pastel formals, the boys in white trousers and dark suitcoats. Then all were thrilled when our lovely and gracious queen, Mary Swanstrom, came down the aisle attended by her two pages. After the coronation by Mr. Wood, the queen presented Honor "D's" to students who did outstanding work in scholarship, citizenship, and extra-curricular activities. Special awards given to seniors were American Legion, Girls' Club pin and cup, Hi-Y, and Daughters of the American Revolution.

A thrilling and surprising welcome-home was awaiting the members of the Denfeld basketball and debate teams upon their return from the Twin Cities. Meeting the basketball boys at Fond du Lac and accompanying them to the school, where Mayor George W. Johnson presented Coach Lloyd Holm with the key to the city, and the boys themselves made short speeches, was a procession of hundreds of automobiles.

For the succeeding weeks the city literally belonged to them. The round of dinners and honors that followed was introduced with banquets at the Rotary and Kiwanis clubs of Duluth. At the Chamber of Commerce luncheon, the debaters and basketball players received miniature

gold trophies. Following an enjoyable banquet at the Junior Chamber of Commerce, the West End Business and Civic Club held a testimonial dinner at which chenille emblems, signifying speech and basketball, were bestowed upon the boys. Mr. Holm was presented with a handsome wrist watch and Mr. Walter Hunting, athletic director, with a radio-phonograph combination at the same place. Gold keys for the debaters and miniature basketballs for the cagers have been offered by the West Duluth Business Men's Club.

We students are proud of the outstanding ability and commendable sportsmanship these boys have demonstrated in their activities.
